***NOTE: Session is \$10 to Staff from facilities serviced by CPS, other people can attend for a fee of \$25.**

Registration for this event is online at www.cpsedu.com.au only:

- a. Go to the upcoming Events tab and find this event in the list and click on “book now”, then check that your details have come across correctly (members) or enter your details (non-members) **ENSURE YOU PICK THE CORRECT VENUE FOR THE EVENT**
- b. You will then need to enter details for payment, which can be either by credit/debit card or invoice and then cheque/bank transfer/cash.
 - i. If you choose credit card, enter the card details (works for debit cards too) and click book now. You will receive two emails, one to confirm attendance and one with a tax receipt for payment
 - ii. If you choose invoice, again enter a payer’s email and details. You will receive two emails, one to confirm attendance and one with a tax invoice for the amount. The invoice will have details for the CPS bank account.

If all of this defeats you, please contact admin@cpsedu.com.au to organise registration.

This session provides 2 hours of active learning and is specifically targeted to enrolled and registered nurses working in the aged care sector.

As such it is relevant to the context of practice of aged care nurses and is considered equivalent to 2 hours of CPD.
